The Class of 1971 is Overbrook's 82nd graduating class, and this is therefore the 82nd *Record*. Each *Record* has reflected the life of its class and the times in which the graduates lived.

This *Record* is no exception. This class has lived, and will live, in troubled times. Problems in our economy, in our relationships with each other and with other nations, and in our physical environment threaten not only our peace of mind but the survival of mankind. Your generation, working with those which came before you and those which follow you, will come to grips with these problems, which no one has yet been able to overcome. You *must* solve them!

I hope you will use all your intelligence, knowledge, and good will as you work at it. I hope you will not be misled by easy, temptingly quick solutions. I hope you emphasize reason and logic rather than only emotion and feeling. I hope you will never give up.

Good luck.

ACTIVITIES

Patricia Thompson, Student Association Sponsor

The pursuit of truth, knowledge, and wisdom is a noble dedication to which all other purposes of Overbrook High are subordinate. The object of this pursuit is growth.

We are able to accept the challenge of growth if we are able to instill within us a degree of curiosity, leadership, individual responsibility, determination, and respect for all mankind.

In today's complex society, life becomes a matter of development or stagnation. Many young people who possess a remarkable capacity for achievement never make the most of it, while other less gifted individuals rise to great heights.

We hope we haven't turned out a class of soulless technicians or provided a happy place for mindless playboys and social butterflies. Our aim has been to broaden a student's tolerances, reduce his prejudices, and make him a citizen of the world.

"To know the truth you must understand the truth."

—Malcolm X

The ultimate goal of the Students' Association, and even moreso of our 1971 graduating class, has been a constant struggle and search for a knowledgeable understanding of truth — truth as it exists in reality, straightforward and to the point — because only then are we able to develop an insight and understanding of what is real.

Because of our greater awareness than previous generations, we desire more strongly and with greater determination to better existing conditions. There must, however, be an accurate source of reference concerning not only the educational system but the government as well.

Having reached the level of both young adulthood and maturity, we are lacking only the pure and absolute understanding of what challenge life may bring.

BEACON

The Beacon made a radical change in format this year. It changed from the standard glossy, four page high school newspaper to a more "underground" looking paper using the offset method of printing.

The two advantages to this method were that it allowed greater freedom in content and layout and could be distributed free to every student in the school. The result was that more students than ever before read the paper.

The Beacon staff had complete freedom to put whatever they wanted into the paper. There were practically no administration guidelines that the student editors had to follow. This meant the paper reflected the views of the students. It also meant that the Beacon began to comment on issues within the school that students formerly never expressed opinions on. The Beacon with articles on Angela Davis, editorials dealing with police and discipline within the school, and a poll concerning education completely broke away from the usual high school paper format and made the Beacon a paper Overbrook students wanted to read.

NATIONAL HONOR SOCIETY

To the students of Overbrook High School who are members of the National Honor Society, I say, "Thank you." You have been selected for this honor because of your fine scholastic ratings and your interests and abilities in many other facets of school life. In a world torn by war, plagued by violence, made uneasy by mistrust — in a world where our differences are exaggerated and made greater by false leaders, you stand out and give us hope for a brighter tomorrow. By your work in the classroom, on the athletic fields, and in the various clubs to which you belong, and in which you hold office, you have made yourself better people and Overbrook a better place for us all. And, so to you, for your dedication, for your accomplishments, but mostly because you are living examples that the good, the kind, the beautiful still live in our young people, I say "Thank you." May the best of luck be yours, and may you also be our leaders tomorrow.

BOYS' ATHLETIC ASSOCIATION

Competition is inherent with the life values of the high school student. Perhaps it is exemplified in no better manner than through our programs of Intramural and Interscholastic Athletics. Through these activities boys and girls have an opportunity to satisfy, through a variety of activities, natural desires for team play, individual incentive, sportsmanship, participation with their peers, and achievement.

This year our athletics have been especially successful, winning championships in Track, Cross Country, Gymnastics, and Basketball. In addition, our student body has been recognized by the Urban League of Philadelphia for their sportsmanship.

These feats in themselves, by both our athletes and students, testify to the fact that the values of athletic competition are an integral part in the formulation of the "Overbrook tradition."

The class of '71 can be proud of its contribution to this tradition.

The 1970 Panthers came out for an exciting, well played season. With several returning Varsity men and a reserve of enthusiastic J.V.'s coming up, we looked forward to a highly successful season. The season started off with a bang and numerous wins with the Panthers showing steady improvement each game. The Panthers eliminated a total of six first place contenders and suffered only three losses. The highlight of the season was the long awaited slaughter of St. Thomas More, making the turkey easier to swallow. It was a season with the Panthers going out the way they came in—winning.

The Panthers were diligently coached by Coach Mark Levin and assistant coach Charlie Sussman in their first year as a coaching team and proved the effectiveness of hard practice and numerous drills. All Public candidates were: First team—Harold Gray, Thomas Childs, Ralph Burkett; Second team—Gary McCloud, Ron Stanton; and Honorable Mention—Thomas Swindell and Mike Samuels.

Although all the players can't be on the first team, they played as if they should. The Panthers ended their season 7-3, a record that speaks for itself. I'm sure that both players and students all will want to say, "Right on."

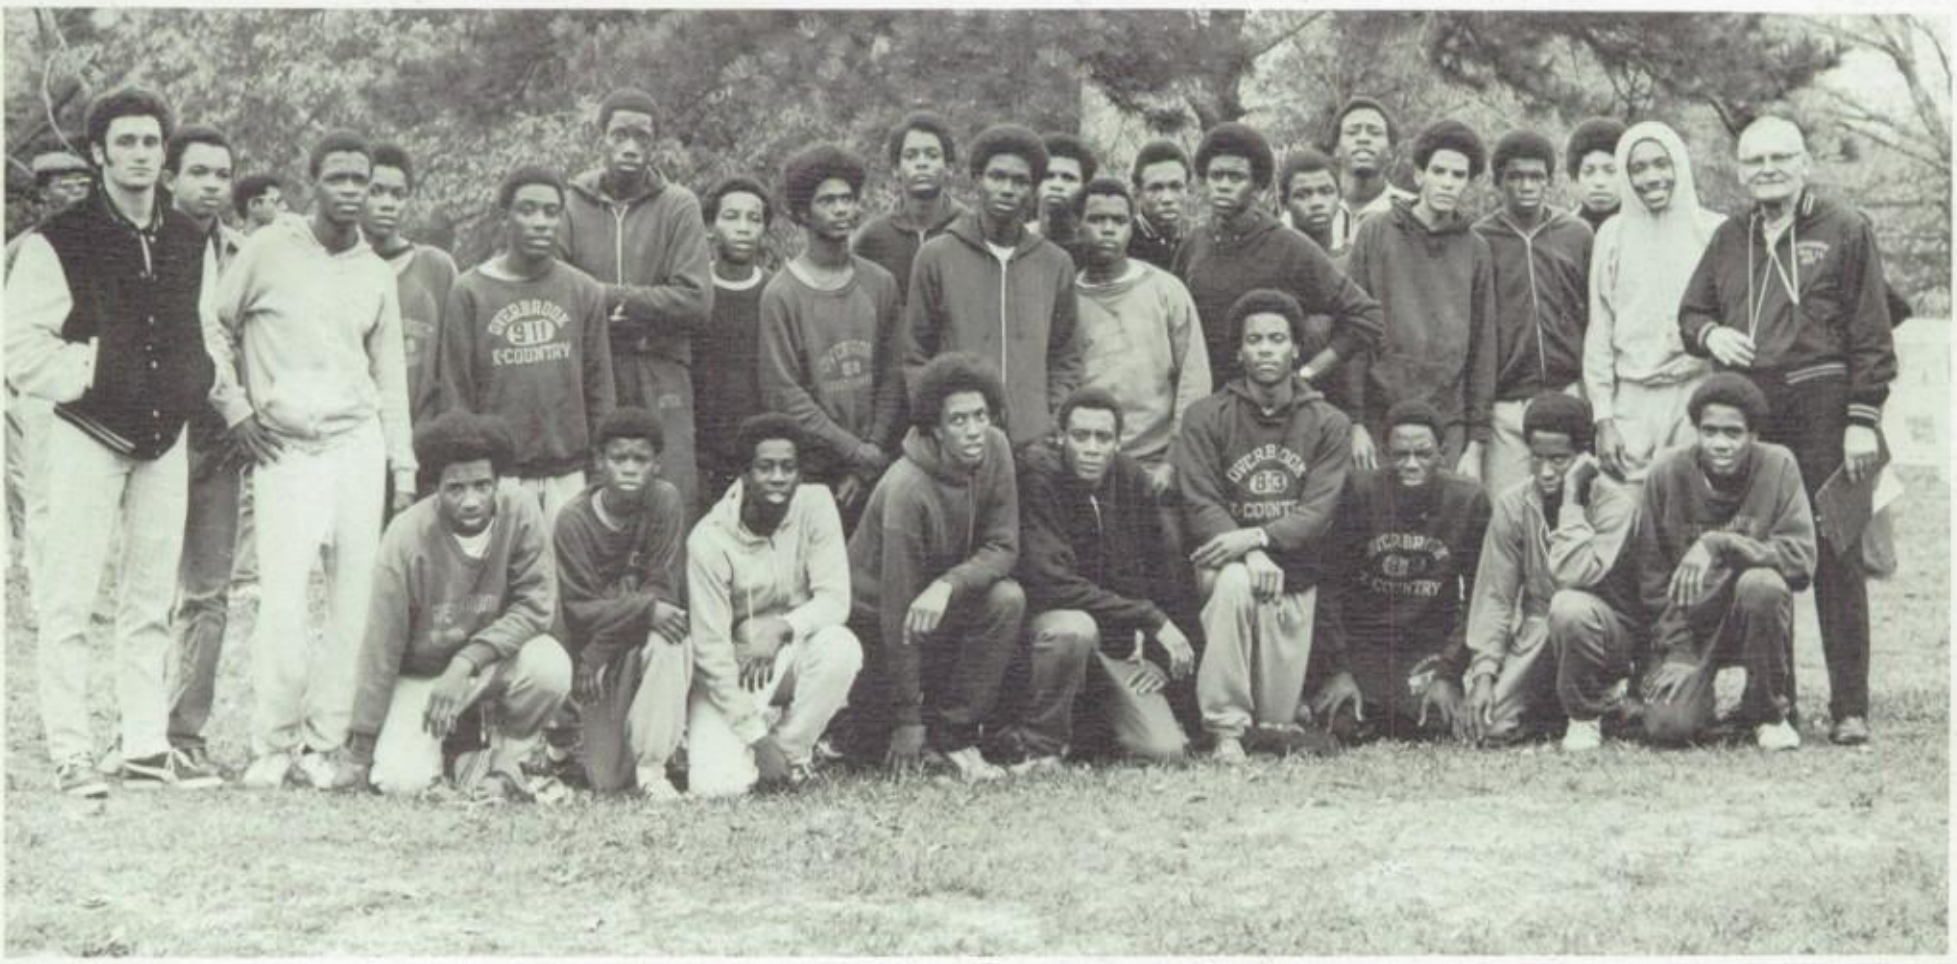
SOCCER

With only four returning lettermen, the 1970 Overbrook Soccer Team approached the upcoming season with an optimistic view. Through diligent practice, this fresh group produced an enthusiastic, full-of-hustle, semi-skilled team with the desire to win in the Panther tradition. The squad collected a record of three wins, six losses, and three ties.

Returning seniors were Leroy Langston, co-captain, Stanley Wilson, co-captain, Edward Arrendell, and Reggie Tramell. Other seniors included George Milsztajn, Richard Marlow, Sylvester Burney, Stewart Margolis, Otto Johnson, Preston Moody, and Brandt Loev.

All Public Honorable Mention Candidates were Leroy Langston, George Milsztajn, and Stewart Margolis.

CROSS COUNTRY



It was, as in previous years, an outstanding and successful season for the cross-country team. Mr. Collin, the cross-country coach, did an excellent job with his personnel. His job was to reveal the hidden abilities of his runners. The work-outs consisted of no less than five miles per day, six days a week.

The members of this year's best in the Public League are co-captains Kevin Brown and Ira Brown, Tim Brown, Robert Cooper, Greg Campbell, Arthur Dandy, Sidney Finger, Dennis Highsmith, Samuel Hargish, George Potter, George Porter, Edward Pidgen, Greg Shelton, Jonathon Ewisdale, Carlton Wilson, James Wilson, Michael Willis, Darryl Wilson, Steven Wilson, and Nathaniel Wainwright. Manager was Barry Fitzgerald; assistant manager was Carlton Robinson.

After winning the City League Title last year, many sports writers and basketball "professors" doubted a successful returning championship, with prime support coming from the Brook. Despite predictions, the Panthers bounced back for part two of the championship title with another splendid season.

When the 1970-71 season began, Overbrook was expected to have a good season with its remaining top-notch performers. But everyone was wrong; we had a great year, shocking opponent after opponent, never relenting but continually moving for two more points. The Overbrook machine moved again.

The 1971 Hilltoppers finished the year with a season record of 12 to 2. The team was powered by High School All-American Andre McCarter, hot corner shooting forward Jerry Thomas, defensive specialist Kevin Washington, proven hot shooting forward Richard Laurel, and much underrated guard Greg Haynes. Throughout the year, Coach Paul Ward used various tactics to defeat his opponents, including starting Joe Williams in the City Playoffs game, stunning the opposing coach. Coach Ward also shifted Andre McCarter from guard to forward to center because of lack in strength on the boards. Not to be overshadowed is Jerry Thomas, "controller of the boards," and a constant shot blocker. Kevin Washington also did an outstanding job harassing opponents and doing some of the unseen work which can win or lose a game. Andre McCarter and Jerry Thomas were also chosen for the first team of the All Public Team.

Backing up the starters was a strong bench who surprised our opponents. Seniors were Al Carey, Joseph Williams, Chris Burrell, Greg Ritchie, Tim Hardy, and Mike Berkowitz. Juniors were Willie Kelly and Charlie Samuels. Manager was Melvin Williams.

SWIMMING

The 1970-71 Overbrook Swimming Team concluded its season with an impressive record. With a 6 to 2 record, Overbrook finished second in its division, losing the division championship to an excellent Roxborough team.

With Coach M. Bortnicker and team captain John Twisdale, the team was quickly whipped into shape. With a nucleus of returning veterans—co-captain Dwight Levy, Stuart Steinberg, Mark Stanton, Kevin Bunch, David Smalls, Muriel Wallace, Michael Wright, Jerome Dorsey, and Terrence Gaskins— Overbrook defeated West Philadelphia, Bartram, Olney, Gratz, Germantown, and Southern.

This year's newcomers included seniors Lee Rooney, Jim Taylor, Kenneth Copes, Phillip Kohler, Ellis Coffer, and Ronald Willis. The juniors were Wilson Staley and an outstanding swimmer and co-captain Michael Washington.

The team events were: 400 yard Medley Relay—Lee Rooney, Jerome Dorsey, Ernie, Kenneth Copes; 200 yard Freestyle—Mark Stanton, Dwight Levy; 100 yard Freestyle —Stuart Steinberg, Terrence Gaskins; 50 yard Freestyle— David Smalls, Michael Washington, James Taylor; 100 yard Backstroke—Michael Wright, Muriel Wallace; 100 yard Breaststroke—Kevin Bunch, Jerome Dorsey; 100 yard Butterfly—Ernie; Individual Medley—John Twisdale; Diving— Ronald Willis, Wilson Staley; 400 yard Freestyle Relay— Kenneth Copes, John Twisdale, Stuart Steinberg, and Michael Washington.

GYMNASTICS

On Thursday, March 5, Overbrook's gymnastics team wrote another page in the annals of sports by winning its first championship. Gymnastics has been dominated by Central or Washington for the past ten years. Occasionally West Philadelphia would reach the finals, but this year Brook won the championship by defeating Central with a final score of 1689 to 1778. The high point of the year came, however, with the defeat of Washington, which has not been defeated previously in four years.

The team's captains were Al Bright, Dee Pearson, and Mark Cuyjet. Outstanding seniors included Al Bright, who was rated number one tumbling and number two rings in the city, Dee Pearson, one of the better horizontal bar men in the city, Carl Gasden, who won the horizontal bar competition and placed third on the mats in the team championship, Jeff Gray, a key performer on rings, and Joseph Ruffin, the manager. Two of the unsung heroes, seniors Victor Griffin and Gregory Wilson, gave outstanding performances throughout the season. Next year promises a strong team with several outstanding juniors: Mark Cuyjet, Eric Tingle, Larry Stiles, Frank Wainwright, Ernest Peel, Glover Riddick, Wayne Still, and Richard Bacon. Others are Alpheus Bright, Booker Williams, Keith Brown, Jeffrey Gray, and Ware Bruce.

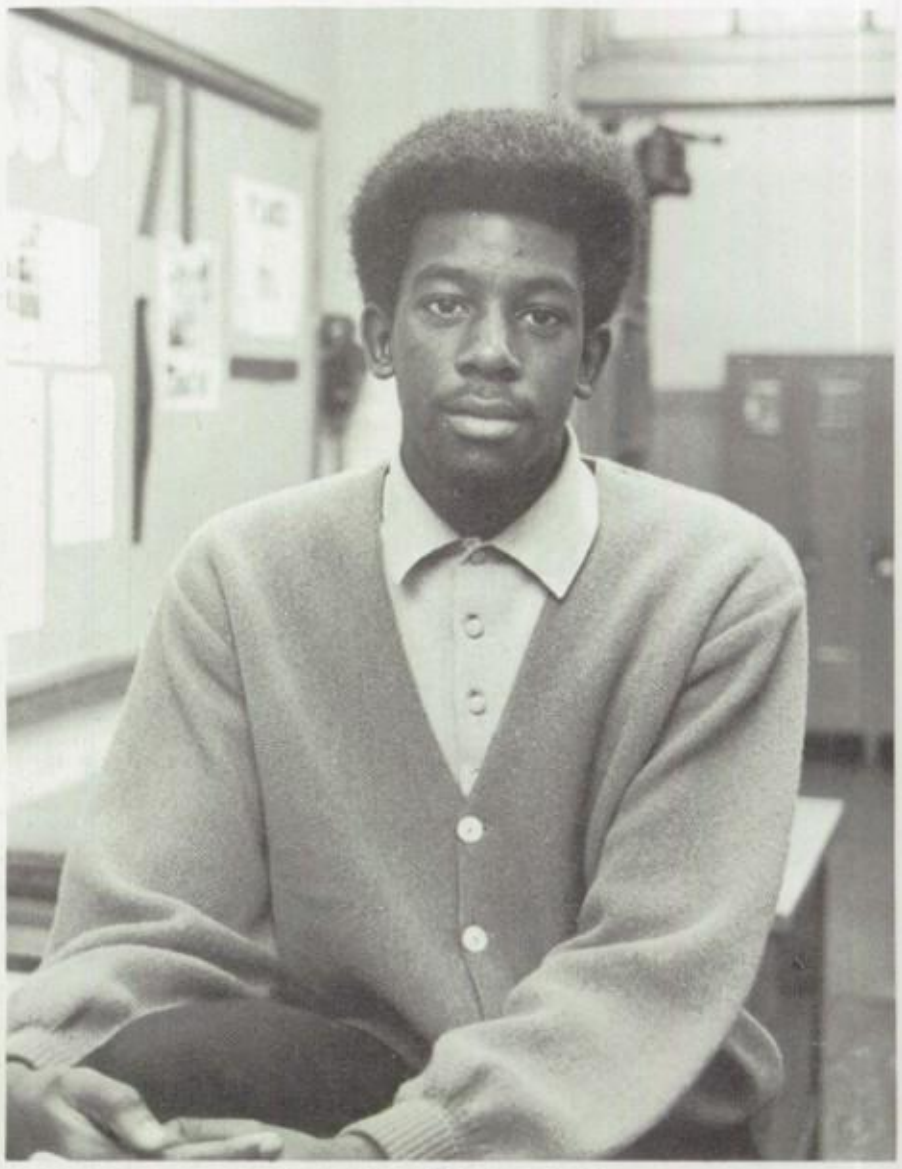
SENIORS

SENIOR CLASS

OFFICERS

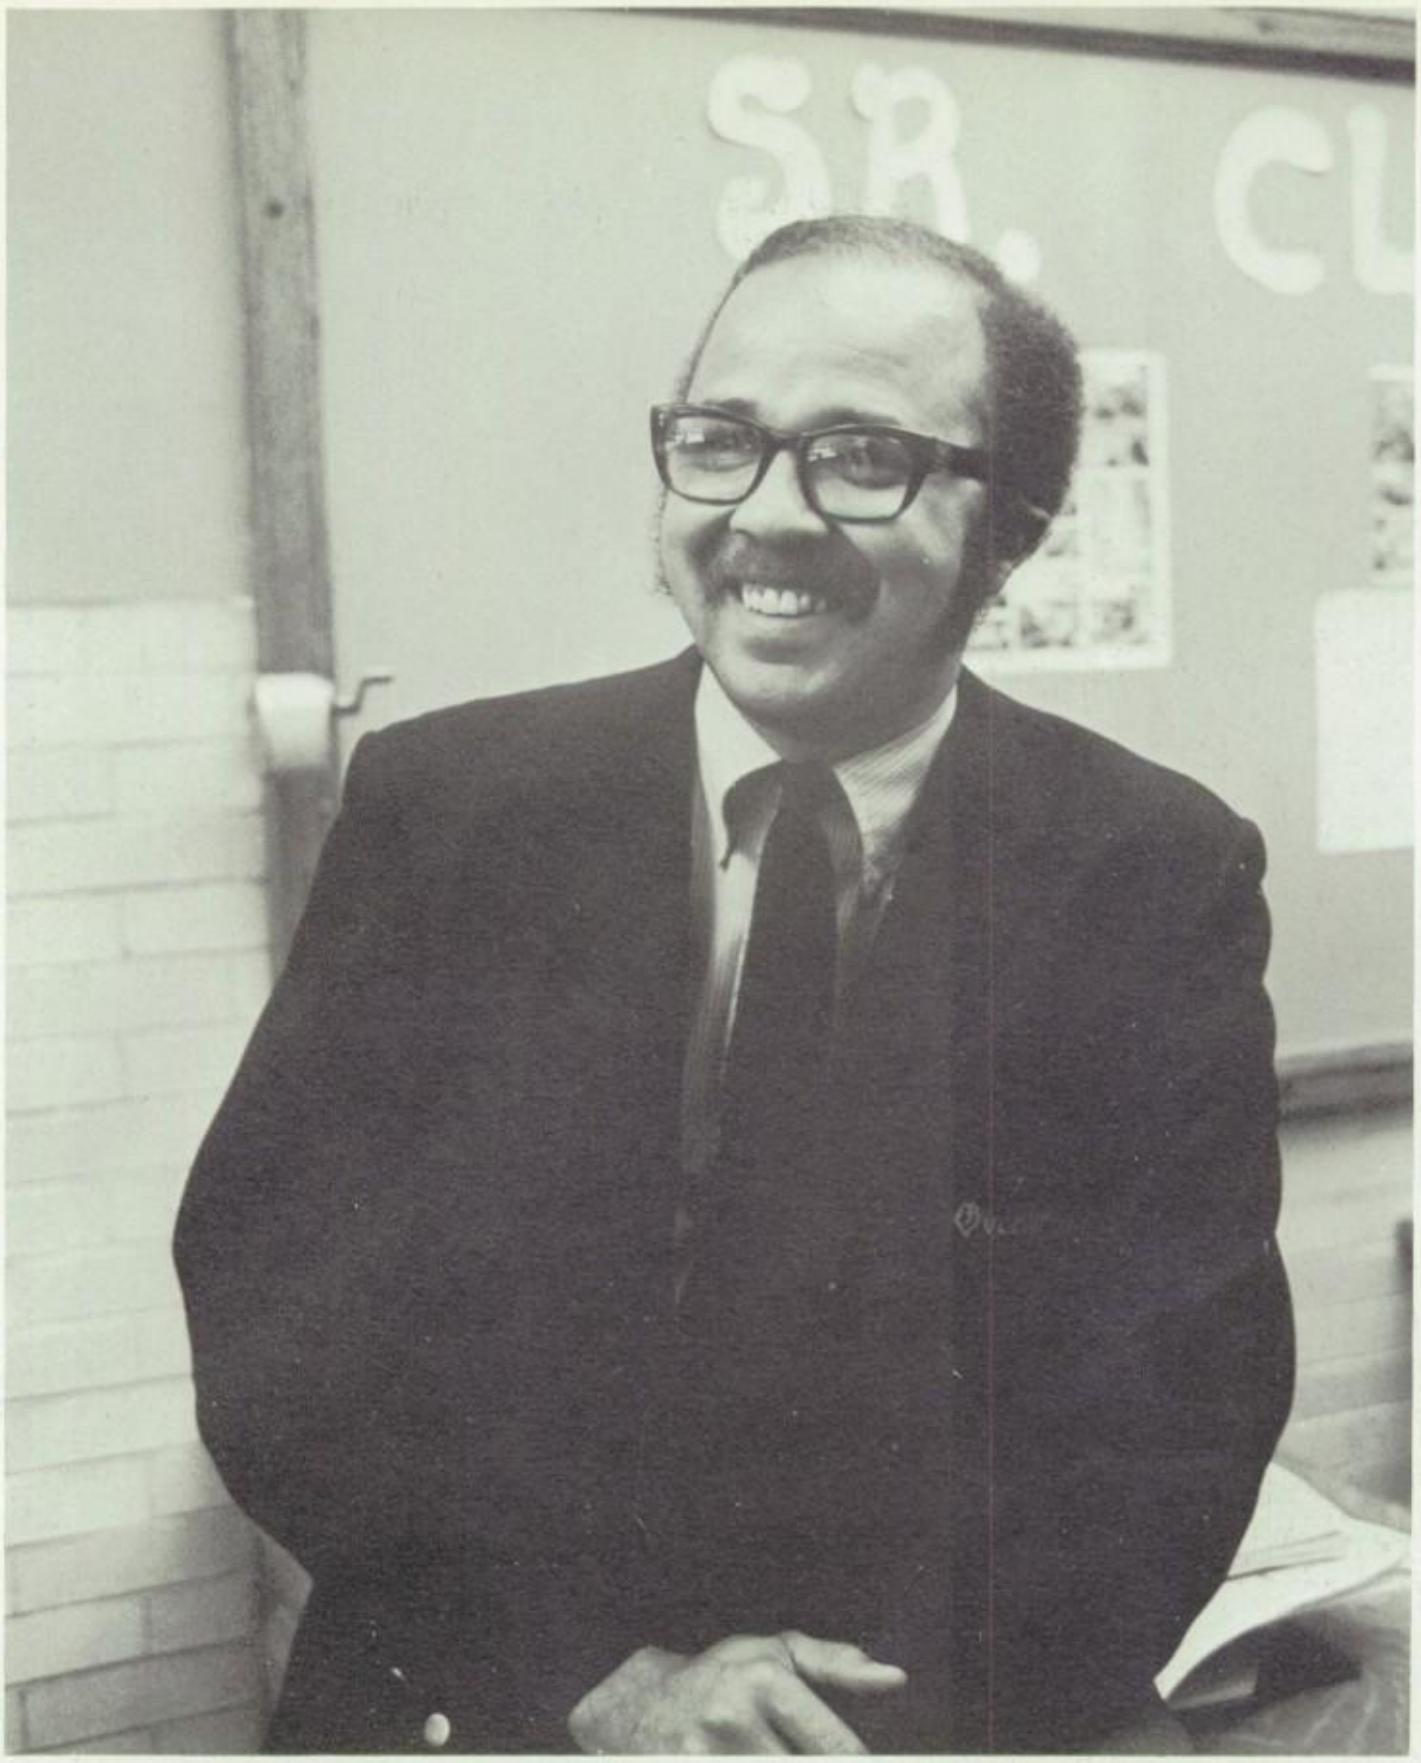
President Hollis McCoy



Vice President Kevin Washington

Treasurer Cathy Adams

Secretary Corliss McCoy



Congratulations,

As a senior class you may have been unique in what has been, for many of you, a trying, difficult, and eventful year. Your originality, however, I attribute to merely being the first to "commence" in what has become a different society and a more fluid school situation. You will find in years to come that you are not really very different, more original, or unique than everyone else, including your peers.

Looking at current generalizations about age and corresponding political philosophy, such as teenagers being radical, young adults liberal, adults (over thirty) conservative, and the elderly reactionary, you might gain some insight into where you are going.

Many of you will find success economically as well as socially. Some of you will not find any success in the ordinary sense of the word. This will make you no different from any preceding generation. Your paths through Overbrook may well indicate your future, and they may not. While here, you have gained some knowledge of society as reflected by the first social institution, the public schools, to have any impact, if at all, upon you.

Welcome now to adulthood and society. Much "success" to you as you attempt to find your place. May you have an impact upon society.

Two of the most serious problems of our complex society, in terms of human dignity, are alienation and loss of personal identity. These are due to our rapidly increasing technology, expanding cities, and growing population. It is rather hard, after all, to see ourselves as unique individuals when our jobs and government know us only as numbers on file cards. This can be extended to Overbrook, where in addition to being lost among 5000 students, we are lost also in book numbers, locker numbers, class ranks, class averages, and Social Security numbers.

Loss of personal identity and other world problems create a feeling of, "What's the use?" This process, while dehumanizing us, encourages us to dehumanize others. Examples of this can be seen in the climbing crime rate, public apathy, poverty, discrimination, and incidents such as My Lai. Today's prevalent attitude is one of non-involvement.

We can and must do something about the gradual erosion of human dignity and basic human rights. We must assert ourselves as individuals with personal needs and at the same time recognize the individuality of others. As we dehumanize others, we ourselves are dehumanized. Above all, we must fight the apathy that allows this situation to continue. Develop your interests, talents, and creativity. Let your needs and desires be known. Get involved, and make this im personal world notice you as a unique individual.

CLASS GAME

Seniors mobbed the stands on a sunny, warm, and thoroughly beautiful Thanksgiving day to cheer their Panthers against our traditional rival, St. Thomas More. The weather was apparently an indication of things to come. Much to the surprise of all, Overbrook defeated St. Thomas More by a score of 20 to 0. This fantastic and unexpected victory was Overbrook's first in five long years, and it was a welcome one.

JUNIOR PROM

1971 CLASS TRIP

On the morning of December 3, 1970, the Downingtown Inn was overtaken. Overbrook High School seniors sporting sailor-like trip hats invaded the Inn. The rooms were inspected and delightfully approved. There was a mad dash to the dining room for lunch, which proved to be delicious. Horseback riding, swimming, ice skating, archery, tennis, ping-pong, bicycling, pool, and tilted pin-ball machines entertained the class during the afternoon. At 5:00 o'clock, curlers, denims, and sweatshirts were discarded. Various degrees of dress lengths, suits, and absolutely "fine" looking gentlemen and ladies were displayed. Black Velvet played for the dance while everyone did his thing.
